

Precaution of Needle stick injury Report

Date: 8th May 2025

On 8th May 2025, a session on Needle Stick Injury was organized at Shalinitai Meghe College of Nursing (GNM Program), Salod Hirapur, Wardha. The introductory speech delivered by Mrs. Akhatribano Sayyed (Sheikh), Principal of the GNM Program at SMCON. The aim of this session was to educate nursing students on the risks, prevention strategies, and appropriate response measures related to needle stick injuries, with a focus on nursing safety and infection control. Ms. Bhagyashree Junghare and Mrs. Rama Khadtakar, Infection Control Nurse at AVBRH Hospital, Sawangi (Meghe), Wardha, delivered an informative awareness speech.

The session witnessed active participation from GNM 1st Year and GNM 3rd Year students, as well as attendance by the principal and faculty members. The event concluded with a vote of thanks delivered by Mr. Abhilash Satone Nsg Tutor of the GNM Program at SMCON. The session successfully aimed to raise awareness about needle stick injuries.

THANK YOU
